

Narwhal SSN-671 and S5G Plankholders 2009 Reunion

September 8th-12th 2009

The reunion will be held in conjunction with the USSVI and ISA joint convention in San Diego California. The intent is to piggyback on the events held by the USSVI and the ISA convention to minimize the duplication of efforts. In doing this we will be able to enjoy the extra events without the time and cost of planning and scheduling them. We can then concentrate our energy on the events that are important to our organizations. The expectation is that every one will register for both the USSVI Convention and the Narwhal/S5G Reunion. (The minimum USSVI registration is \$25 per person) here is the link to register on line. <http://www.ussvisandiego.org/Convention2009/Registration.htm> there is also a PDF of the form attached. Please register directly with USSVI.

The primary purpose of the Reunion is to facilitate a forum for old friends to gather and to maintain relationships.

There will be a hospitality suite for the Narwhal/S5G Plankholders. The suite will be open from 0800 to 2300 and a "Meet and Greet" is scheduled for 1300-1600 Tuesday through Saturday. The room is open for anyone who wants to schedule a special meeting with their shipmates. There will be coffee, tea, sodas, beer and light snacks available for those who stop by for a visit.

A dinner for Friday September 11, 2009 for the Narwhal/S5G Plankholders at 1830 at Tom Hamm's Lighthouse Inn & Restaurant <http://www.tomhamslighthouse.com> located at the north end of Harbor Island. We have a room reserved for a buffet dinner at \$50.00.

Summary of Costs:

- Narwhal Reunion - \$25 per person
- Narwhal Dinner - \$50 per person
- USSVI registration - \$25 per person (minimum)

Narwhal SSN-671 and S5G Plankholders 2009 Reunion

September 8th-12th 2009

Registration form for Narwhal SSN-671 & S5G Plankholders 2009 Reunion.

Please note: you must make your reservations separately for both the USSVI convention and the hotel. We are recommending that at a minimum you register for the convention.

This is ONLY for the Narwhal/S5G separate functions.
